Flatbread Company is a family, and handicapped-friendly, restaurant that serves meals prepared with local, organic produce, free range chicken, and nitrate free meats. A portion of the proceeds from every pizza sold (either eaten in or take-out) goes directly to FFT!

Friends For Tomorrow, Inc., founded in 1994, is a non-profit organization. We are dedicated to enhancing the lives of children and young adults facing extraordinary intellectual and physical challenges through the therapeutic benefits of horseback riding.
